FOOTGOLF BASIC RULES:

1. Wear appropriate clothing – golf cap, collared shirt, and argyle socks are preferred. Soccer cleats are NOT permitted. Size 5 soccer ball must be used.
2. Your ball must be easy to identify.
3. Review the scorecard and wait for your turn. Make sure your kick will not interfere with other players.
4. Kick off your ball from a position up to two meters behind the tee markers.
5. The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball, clearly behind, before each kick.
6. Wait to play until the ball has completely come to rest. (It is illegal to stop the ball from rolling with the wind.)
7. Play the ball from where it lies: You are not allowed to move the ball or remove jammed objects. Exception: You may mark the spot and lift the ball when it may obstruct the other player's kick or ball in any way.
8. The player farthest from the hole is the first to kick the ball.
9. The order of play is established based on the score of the previous hole. The player with the best score will kick off first on the next hole followed by the second, etc.
10. The ball is regarded to be in the "hole" when it is in a rest in the circumference of the hole, and it is lying with its full scope under the level of the hole's edge.
